COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Dear Sir:

In response to the Notice of Allowance and Examiner's statement of reasons of allowance mailed on March 31, 2006, it is respectfully requested that the following comments be entered in the record of the above-referenced patent application.

COMMENTS

The Examiner's statements of reasons for allowance are hereby acknowledged by Assignee. Assignee agrees that the claimed subject matter is patentably distinct from the documents cited by the Examiner. However, Assignee takes no position regarding the reasons for allowance presented by the Examiner, other than the positions Assignee may have previously taken during prosecution of the above-referenced patent application. Therefore, the Examiner's reasons for allowance should not be attributed to Assignee as an indication of the basis for Assignee's belief that the claims are patentably distinct. Furthermore, it is respectfully asserted that there may also be additional reasons for patentability of the claimed subject matter not explicitly stated in this record. While, in accordance with 37 C.F.R. §1.104(e), a failure by the Assignee to disagree with the Examiner or file more detailed comments does not give rise to any implication that the Assignee agrees with or acquiesces in the reasoning of the Examiner, here, by this document, Assignee is expressly making clear that no such agreement or acquiescence is present.

Respectfully submitted,

Dated: June 28, 2006
